@sjjdesign

Hi! I'm a graphic designer and artist passionate about the magic of AI Generative Art. With over 1,200 customers served and more than 1,900 AI prompts available, I create Midjourney, ChatGPT Images, Flux and other AI-driven prompts to spark creativity and bring bold ideas to life. My specialties revolve around bold, dreamy art styles, whimsical illustration sets, retro and vintage elements, unique typography, stunning surface patterns, and photography transformations—all infused with originality and flair.

I also offer:

- ❖ Advanced Photo Editing & Upscaling – Crisp, high-quality visuals
- ❖ Style Refinement – Fine-tune any look you crave
- ❖ AI Visual Guides – Master prompt engineering and generative AI tools
- ❖ Full-Service Graphic Design – Logos, branding, and comprehensive layouts

Let's create something extraordinary! Message me for custom prompt bundles, photo editing, style tweaks, or personalized AI visual guides—I'm here to help you design magic!
